Headmaster's November News

[Click here](#) for the November Calendar

Dear T-D Family:

It's been an immense amount of fun playing a role in T-D's Italian Visitor Program. It's an exchange that should be maintained.

I would like to say thanks to T-D's host families and to the Breaznas in particular. Hosting a luncheon for 50 guests is quite an undertaking. There isn't a T-D family that does more to promote international education than Andrei and Aurora. They are T-D's best *A-Team*.

Our Italian exchange students return home tomorrow after their closing luncheon at Mario's on Arthur Avenue in the Bronx. They will be bused to JFK from T-D.

On Tuesday of next week, over 25 T-D family members will travel to Chicago along with me, Mr. Goodman and Ms. Tudisco. School will remain open for grades 1 - 12 while we are away.

T-D's Lower School parents will be *conferencing* on Monday, November 9th. Conferences will be by appointment only and can be scheduled now with your child's teacher. Appointments can be made for before, during, and after school up to 7:30 PM. Grades 1-5 will be enjoying a field trip to Hilltop Farm on November 19th.

T-D's first quarterly exams for students in grades 6 - 12 commence on Monday, November 23rd and conclude at 12:47 on Wednesday, November 25th. T-D's Thanksgiving recess is *stuffed in* from 12:47 PM Wednesday through the return to school on Monday, November 30th at 9 AM.

T-D's Open House for prospective new families for the

2016-17 school year is Sunday, December 6th from 2:00 - 4:00 PM. Please feel free to inform your friends to attend- especially those with bright and talented progeny.

It seems impossible that December is less than 30 days from today. I hope to see you on campus whenever you emerge.

Sincerely yours,

Douglas E. Fleming, Jr.

Headmaster
